

LUMINESCENT

Transform architecture through light

Revolutionary Finish

Experience brick facades that shift subtly from dawn to dusk with our innovative light-responsive technology. This premium glazed brick combines sophisticated aesthetics with proven durability, offering architects and property owners unprecedented creative freedom.

Design Features

- Exclusive coarse velour texture for distinctive aesthetics
- Dynamic iridescent finish that shifts with natural light
- Four sophisticated cool tones for contemporary designs
- Unique surface quality that enhances architectural vision

Technical Features

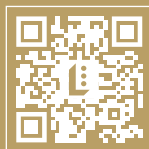

- Three-sided application eliminates separate quoin ordering
- Maximized surface texture ensures reliable mortar adhesion
- Factory-controlled quality standards
- Weather-resistant, low-maintenance finish

Size Options

Modular, Norman, Ambassador, Economo Modular, Utility, and Monarch. Also available in Modular, Norman, Economo Modular, and Utility 5/8" Flat Back Thin Brick.
